

Ananda Sweet

Board Member

Ananda is the Vice President for Public Policy and Workforce Development for the Santa Rosa Metro Chamber of Commerce. She received her BA in Political Science from University of California at Berkeley, and has been a Chop's board member for a year. Ananda knows that Chop's is a critical resource in our community and that all teens deserve the opportunity to feel safe, respected, and cared for, and to be connected to opportunities for their futures. She believes that ensuring teens have a space, like Chop's, that achieves these critical goals is not only the right thing to do, it is crucial to the future success of our community. Ananda feels it is an honor to serve on the board of an organization that fills such a meaningful role in Sonoma County.
