

Megan Melendez-Orr

Treasurer

Megan has been a Chop's Board member for 2 ½ years. She got her AA in Mathematics from Santa Rosa Junior College and her BS in Business Administration, emphasis in Accounting, from Sonoma State University. She is a CPA working in the tax department for Linkenheimer LLP, CPAs and Advisors. Megan was a Chop's Teen Club member during her teen years, and absolutely loved it. She joined the board because of her desire to support a great organization and to keep it available to local teens.
